THE HONOURABLE SHRI JUSTICE R.SUBHASH REDDY

WRIT PETITION No. 23236 OF 1998

Dated 5th March, 2007

Between:

T.Sateeshkumar and others.

…Petitioners

And

The Principal,
Vasavi College of Engineering,
Ibrahimbagh, Hyderabad.

…Respondent.

ORAL ORDER:

The petitioners, who were the engineering students, filed this writ petition when they were denied readmission into 3rd year Engineering courses after completion of backlog subjects of the first and second years.

It is the case of the petitioners that they were not permitted into the III Year engineering course because of some backlog subjects in the first and second years. But, in spite of the fact that they had completed and passed the backlog subjects of the first and second years, readmission was not granted to them.

Though notice was served on the respondent, no counter affidavit is filed and there is also no representation on behalf of the respondent.

As much as the petitioners had completed all the backlog subjects of first and second years, they were entitled for readmission into the third year, and, as this court granted interim orders for readmission of the petitioners into 3rd year B.E.Course on 21.8.1998 and the said orders continued all along and no counter affidavit is filed denying the assertion of the petitioners, I dispose of the writ petition holding that the admission of the petitioners shall stand regularized and the respondents are directed to issue all the necessary certificates to the petitioners.

Subject to above direction, the writ petition is disposed of. No costs.
